27th November 2020

Good afternoon,

All the pupils have been busily completing assessment this week so that the staff can plan next terms work. The pupils have performed really well and have made good progress in catching up some of the learning that was missed during lockdown. We have also been talking to the pupils about road safety and how to keep safe on the roads but also if they are travelling in a car. Please ask your children what they have learnt this week as they have been really engaged in their learning.

ASSESSMENT WEEK

All the pupils from Year 1-6 have been completing assessments this week to support our future planning. We have all been really pleased how the pupils have worked hard on these and we know that with some more focused teaching and interventions in the New Year, the pupils will continue to make up some of the lost learning due to the lockdown. Early in the New Year each child will receive a report of their attainment and the areas of strength and areas to develop that we will be working on in the Spring term. If you would like to know more, do not hesitate to contact the class teacher to see how you can help your child at home.

SCHOOL COVID PROCEDURES

As we move back into a tiered system for COVID procedures please could I remind parents of the guidance we have for our school. To limit the spread of COVID, please could all parents wear face masks when coming onto school premises. I understand that there may be reasons some people cannot wear them but we are trying to make sure we continue the very low rates of infection we have had in our school.

READING PLUS

Our school is using the Reading Plus program to help your student become a better reader. Reading Plus helps students develop the skills they need to be proficient readers and lifelong learners. Through regular Reading Plus practice, reading will become easier, comprehension will increase, and your student will make meaningful connections between reading and learning. To learn more about Reading Plus, visit www.readingplus.com.

This program will be running from Year 2 to Year 6. Please have a look on the website at what the pupils will be doing as we know this will boost reading attainment and confidence across the school
